

FIU SPIRIT PROGRAM

NEEDS YOUR HELP...

Dear Family & Friends,

Coaches Paulina & Cory have asked everyone on my team to create a list of important and influential people in our lives. I hope you don't mind that I have included you.

The FIU Spirit Program, comprised of our coed cheerleading team and Dazzler dance team, is busy on its way to once again becoming one of Florida's top ranked and most crowd stopping performance based organizations. With a limited budget for both we have been able to cover each squads basic needs but are now reaching out to the friends, family, alumni and potential sponsors to help us make this season the beginning of many great and wonderful things to come.

An annual appearance at both NCA & NDA collegiate camp and nationals is important to not only each athlete but to the success and future of the program. It's at these two events that we build and foster the notoriety within the collegiate cheerleading and dance industry to be able to increase the legitimacy, talent and incentives of the program. With one being held in Myrtle Beach, South Carolina and the other Daytona Beach, FL the transportation, registration and lodging alone for each of these trips can easily cost upwards of approximately \$500 per athlete and that's why we are reaching out for assistance from supporters like you.

Donations are tax deductible and should be made to **FLORIDA INTERNATIONAL UNIVERSITY**. The foundation is a Not-For-Profit, 501(c)(3) corporation organized to help assist our student athletes in raising the necessary funds for all related expenses. Our Federal Tax ID Number is 23-7047106, Certificate #85-8012626298C-9.

Everyone within the program sincerely appreciates your help, especially me...

Attending a university, we all know that "student" comes first in "student-athlete." But we aren't just hard workers in class. Under the direction of our coaches' leadership, we are actively involved in our community, enthusiastic for FIU's intercollegiate teams, and work intensely at our sport!

Hard work, intensity and commitment will always be our most important keys to success, but you can also greatly impact that success.

I thank you for your support and will do my best to make you and our community proud!

Cheeringly,

YES, I'd like to sponsor you!
